Sir,

In returning herewith the draft amendment to the Station Police Orders 80 and 81 proposed by the Commissioner of Police and forwarded for remarks with your Endorsement No.8749/95-1928 dated the 16th October 1929, I have the honor to state that there is no objection to the amendments proposed being sanctioned by the Hon'ble the Resident.

The following remarks are offered on the proposed paras.

In para 80 of the Station Police Orders, as it stands at present, the rates to be charged have been fixed in rupees. But in para 4 of the proposed amendment, the rates to be charged are given in general terms as 'sanctioned average pay', etc. Again in para 80 (4) (c) of the proposed amendment, the contribution for leave salary and pension to be recovered is given as 'at the rates laid down by the Government of India from time to time'. The rates to be levied with effect from 1st April 1929 are those laid down in Government of India, Finance Department, Resolution No.F81-R-1/24, dated the 11th February, 1929. It seems ~~however~~ desirable that the amounts recoverable are fixed in rupees as in existing para 80, and amendments issued to the paras whenever they become necessary so as to facilitate calculation of the amounts recoverable.
